### God So Loved

*God so loved, so loved the world he gave His only Son that all, all who believe shall never die but have new life everlasting, everlasting life. For God did not send His Son into the world to condemn the world, not to condemn the world, but through the Son the world might be saved. God so loved the world.*

### Hosanna, God Save Us!

*Hosanna, hosanna! God save us now. Hosanna, hosanna, God save us now. We wait for salvation, send Your saving power. Hosanna, hosanna! God save us now. You promise salvation to those who call. You offer deliverance and peace to all. We call on Your name, hear Your people cry. We raise up our voices to say: Hosanna, hosanna! God save us now. Hosanna, hosanna, God save us now.*

## Behold the Lord of Love

*Behold the Lord of love, the Holy One who came to earth to offer us a second birth with hope for days to come. Behold the Lord of love, the one who suffered willingly upon the cross of cruelty and gave His life for us. Behold the Lord of love. Behold the Lord of love who won the final victory to set the human spirit free and break the curse of death. Behold the Lord of love and let us rise to spend our days to lift a song of grateful praise to Him who died for us. Behold the Lord of love.*

\*Congregation joins in singing the bold words:

***Crown Him the Lord of love, behold His hands and side, rich wounds yet visible above in beauty glorified. All hail, Redeemer, hail! For thou hast died for me. Thy praise shall never, never fail throughout eternity.***

*Thy praise shall never, never fail throughout eternity. Crown Him the Lord of love. Crown Him the Lord of love, the Lord of love.*

## By the Way You Love

*My friends, soon I'll go away. The time draws near when I must leave you. How will they know that you are mine? How will they know they can believe you? Not by the mighty words you say, and not by the mighty prayers you pray. They'll know you are my true disciples by the way you love. You are asking which of you is the greatest one and who will be highest in my kingdom? It's not by the mighty things you've done or who will demand a high position. But who will embrace a servant's heart and give of yourself wherever you are. They'll know you are my true disciples by the way you love. By the way you love, they'll know that you are mine. By the way love, now let this be a sign, by the way you share, by the way you care for each other. The world will see you belong to me by the way you love. Go and love one another, now my friends. This new commandment now I'm giving. Love is the means, love is the end. Go and embrace this way of living. Who will obey and follow my lead? Who will wash your brother's feet? You will become my true disciples by the way you love.*

## Is it I?

*Is it I who will betray you, Lord? Is it I who will forsake you, Lord? Will I take the silver when the price is on Your head? Will I prove my loyalty or sell you out instead? Lord, you say it's one of us and now I wait for Your reply. Is it I? Is it I who will betray you, Lord? Is it I who will forsake you, Lord? It's easy now to promise that I'll serve you to the end. But will I be courageous when the trouble will begin? When danger swarms around us, will I try to run away and hide? It is I? Is it I who will betray you, Lord? Is it I who will forsake you, Lord?*

## Remember I Am There

*When you need to remember how I showed my love for you. When your memory has faded, this will make your memory new. Come and dine at My table when I seem so far away. And when your soul has forgotten, through my Spirit I will say, "Remember, remember me. Remember, and follow me. Remember, and when you do, remember I am there with you." Eat this bread when you are hungry, when your spirit needs repair. Drink this cup when you are thirsty when your soul is dry and bare. Come and dine at My table when I seem so far away. And when your soul has forgotten, through my Spirit I will say, "Remember, remember me. Remember, and follow me. Remember, and when you do, remember I am there with you. For I will be, forever be with you."*

## They Came to Arrest Him ..... Soloist, Jackson Glasgow

*They came to arrest Him in the middle of the night. The disciples were asleep, with the mob in sight when they came to arrest Him in the middle of the night. They came to arrest Him with torches and swords. And they knew who they were lookin' for when they came to arrest Him with torches and swords. Wake up, brothers, rise up and stand. Look, the betrayer is at hand. O Judas, has it come to this? Do you betray me with a kiss? They came to arrest Him in the middle of the night. The disciples were afraid but were ready for a fight when they came to arrest Him in the middle of the night.*

*Peter rose up to take a stand. He grabbed a sword up in his hand. The Lord said, "Stop, put away your sword. That's not what I have come here for." They came to arrest Him in the middle of the night. The disciples were afraid but were ready for a fight when they came to arrest Him in the middle of the night. Am I a thief that you come this way? You could have taken my any day, prayin' in the temple I was in plain sight. Now you come in the middle of the night. They came to arrest Him in the middle of the night. He was prayin' in the temple. He was in plain sight, but they came to arrest Him in the middle of the night. They came to arrest Him and took Him away. There soon would begin the darkest day. They took Him away and all seems lost, He's walking down a road that leads to a cross. They came to arrest Him in the middle of the night!*

## What Wondrous Love of the Cross

*What wondrous love is this, O my soul, o my soul! What wondrous love is this, O my soul!*

*What wondrous love is this that caused the Lord of bliss to bear the dreadful curse for my soul, for my soul, to bear the dreadful curse for my soul.*

*What wondrous love is this that caused the Lord of bliss to bear the dreadful curse for my soul, for my soul, to bear the dreadful curse for my soul.*

*When I was sinking down, sinking down, sinking down, when I was sinking down sinking down, when I was sinking down beneath God's righteous crown to lay aside His crown for my soul, for my soul, to lay aside His crown for my soul.*

*And when from death I'm free, and when from death I'm free, I'll sing on, I'll sing on, I will sing on. To God and to the Lamb I will sing, I will sing. To God and to the Lamb, I will sing. To God and to the Lamb, who is the great "I AM." And through eternity, I'll sing on, I'll sing on. And through eternity, I'll sing on.*

## God So Loved (Reprise)

*For God did not send His Son into the world to condemn the world, not to condemn the world. But through the Son the world might be saved, the world might be saved. God so loved, so loved the world He gave His only Son that all, all who believe shall never die but have new life everlasting, everlasting life. God so loved, God loved the world.*
